

# COMMUNITY LENTEN SERVICES

**Sunday Evenings, Feb 26—March 25th at 6:30 pm**

Lent is a season that helps us draw closer to Jesus Christ into whose death, burial, and resurrection we have been baptized. It is a time of self-denial, of growth, and of good works motivated by the Holy Spirit working through the Word in the lives of those who name Jesus as Savior. It is a time to contemplate who Jesus is and what he does for us.

This year's Lenten series, *Conversations With The Savior*, was written to help God's people draw closer to Jesus through his many **I AM** statements in the Gospel of John. Though the dialogues are fictional, the message is scriptural. It is hoped that listeners may grow in faith and understanding as they find something of themselves in the characters who talk with Jesus.
